21/76	<p><b>County and district councillor's reports</b></p> <p>Cllr Davies gave a verbal update.</p> <p>Cllr Crookes had provided a written report. Key issues were:</p> <ol style="list-style-type: none"> <li>1. At its October meeting, Cabinet considered an updated agreement with Everyone Active for their management of Hart's leisure centres.</li> <li>2. Hart announced the temporary suspension of the garden waste collection service due to a shortage of HGV drivers. Basingstoke and Deane with whom Hart operate a shared service made a similar announcement.</li> <li>3. At its October meeting, the Overview and Scrutiny meeting will consider a number of savings options for the medium-term financial strategy. This may include options for a review of the Local Plan.</li> </ol>	
21/77	<p><b>Representations by the public</b></p> <p>A member of the public asked:</p> <ul style="list-style-type: none"> <li>• How will the review of the conservation area be done? <ul style="list-style-type: none"> <li>○ Chairman - we do not know yet: probably internally with external support. The Chairman replied that the council was aware of the issues and would present its plans at the Parish Meeting in November.</p>	
21/78	<p><b>To Consider the council's response to current planning applications</b></p> <ol style="list-style-type: none"> <li>1. <a href="#">21/02350/HOU</a>   Erection of a two storey side extension with basement.   Pond House Church Lane Dogmersfield Hook RG27 8TA. Closes 12 October</li> </ol> <p>The motion being proposed by Cllr Leach and seconded by Cllr Chisnall, <b>IT WAS RESOLVED</b> unanimously to object to the application on the grounds of:</p> <ul style="list-style-type: none"> <li>• Contravention of Neighbourhood Plan (NP) policy DNP8: Trees and Hedgerows</li> <li>• Contravention of Neighbourhood Plan (NP) policy DNP11: Dark Skies</li> </ul>	

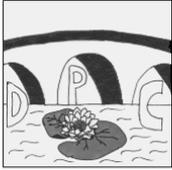

# DOGMERSFIELD PARISH COUNCIL

	<ul style="list-style-type: none"> <li>• Lack of clarity whether the development will be partially on agricultural land</li> <li>• Lack of clarity whether a previous order by Hart DC to establish a proper sewage system on site has been complied with</li> <li>• And, should Hart DC be minded to approve the application, a condition would be required to ensure that all vehicles involved in the construction should be parked on site.</li> </ul> <p>2. Applications not on the agenda</p> <p>Cllr Leach reported that the following application had been received.</p> <p><a href="#">21/02481/HOU</a> Demolition of existing garage and erection of a replacement garage with first floor ancillary storage and associated changes of levels and hard landscaping (part retrospective) Ormersfield House Church Lane Dogmersfield Hook RG27 8TA. Closing date 27 October</p> <p>The Clerk had applied for an extension to allow proper consideration at the November meeting. If this was not granted, an extraordinary meeting would be considered.</p>	
21/79	<p><b>To update members on any new planning consultations, appeals and enforcements</b></p> <p>Cllr Leach updated members as per the supporting paper.</p>	
21/80	<p><b>To consider writing to the Four Seasons Hotel concerning planned building work</b></p> <p>This item, mentioned at the last meeting, was not a planning application but an application for a Lawful Development Certificate – which has now been granted. HDC does not consult parish councils on these. However, the size of the planned works would probably generate significant traffic, especially with the roadworks on the A287 roundabout.</p> <p>The Chairman stated that he would be writing to the hotel in his capacity as a councillor to see whether the effects of this on the village could be mitigated.</p>	
21/81	<p><b>Shapley Heath update</b></p> <p>There was currently no activity on this while the business case for revision of the local plan was being considered. It is not clear when the results of HDC’s consultation will become available.</p>	
21/82	<p><b>Update on tree planting – Fillis</b></p> <p>The motion being proposed by Cllr Fillis and seconded by Cllr Molloy, <b>IT WAS RESOLVED</b> unanimously that orders for trees and associated supplies should be placed as per the schedule submitted by Cllr Fillis.</p>	
21/83	<p><b>Finance &amp; Regulatory Matters</b></p>	
1	<p><b>To note the bank reconciliations</b></p> <p>The bank reconciliations were inspected by Cllr Leach and noted by the council. The reconciled balances as of 31 August were:</p> <ul style="list-style-type: none"> <li>• Lloyds £0.00</li> <li>• Unity Trust £24,118.58</li> </ul>

2	<p><b>To receive a finance report</b></p> <p>The report was noted by members. The Clerk was asked to make recommendations for an interest-bearing account for the council's reserves.</p> <p>It was also noted that the general reserve was rather high: for the next financial year this will be allocated where appropriate to earmarked reserves for particular projects.</p>	Clerk

## Planning Application Summary Comments and Recommendation

<b>Planning Application No</b> <i>(please insert as hyperlink)</i>	21/02481/HOU Ormsfield House
<b>Description</b>	Demolition of existing garage and erection of a replacement garage with first floor ancillary storage and associated changes of levels and hard landscaping (part retrospective)
<b>Date valid</b>	5 <sup>th</sup> October 2021
<b>Date circulated by DPC Cllr for Planning</b>	13 <sup>th</sup> October 2021
<b>Comments due</b>	20 <sup>th</sup> October 2021

### 1 Summary

An application was Granted in February 2021 for an extension and alteration to the existing garage at Ormsfield House to include a new ancillary room above and a new driveway / parking area. No objections were received from Neighbours, Countryside Planning, The Ecology Officer or the Assistant Conservation Officer. DPC did not Object to the Application, but asked:

1. For a site plan to be developed to ensure no parked vehicles intrude into the Lane at this location during the work.
2. Full regard was paid to the DNP requirement for building schemes to protect the Dark Parish provisions in the DNP.

A number of conditions were imposed by Hart regarding, inter alia, building materials, lighting, landscaping, the Construction Method Statement (CMS) and the requirement to retain the garage as a part of Ormsfield House and not as a separate dwelling.

A subsequent application was made in April 2021 to discharge the conditions on materials, landscaping and the CMS. These conditions were discharged in July 2021.

Subsequent to these applications it was found that the existing garage had structural issues and the walls were not sitting on any footings. A building surveyor recommended that the garage was demolished by an existing on site contractor and then subsequently rebuilt. At this point, Hart asked for another planning application for

the re-build. The Application now being considered is for the re-build of the garage with exactly the same design as originally in the Application which was Granted in February 2021. This new Application includes all relevant information which had previously been provided to discharge the original conditions, including a commitment to keep the Lane free for other users during construction. As the garage has already been demolished the current Application is 'Part Retrospective'.

## 2 Comments

An initial review of the current Application in the short time before the DPC meeting on 11<sup>th</sup> October indicated that the Application was generally sound, but that conditions around the footprint, usage, CMS and lighting needed to be highlighted in any response. This was discussed in outline at the DPC meeting, with agreement to defer a decision on the DPC response until a more detailed review of the Application had been carried out as per the normal process.

An issue of timing was highlighted: In that the closing date for comments to Hart was before the next formal DPC meeting, which would need to agree the DPC response. If an extension to the closing date could not be obtained, then an extra-ordinary meeting of DPC would be required.

This detailed review of the Application and the associated previous Applications has (as covered in the Summary above) revealed that the conditions associated with the original Application have been discharged.

DPC did not object to the initial Application or comment on the Application to discharge the original conditions, and the detail of the rebuild is exactly the same as in the original Application (20/03030/HOU).

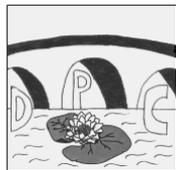

Given this history, if an extension to the closing date for comments is not granted, it could be that the DPC response (recommended below) is considered uncontentious and is dealt with under the 'Uncontentious Planning Application' procedure and then noted at the next DPC meeting.

## 3 Recommendation

It is recommended that DPC '**Sees no reason to Object to this Application**'. Provided that:

1. The building adheres to the Dark Skies Policy (DNP 11) contained in the Dogmersfield Neighbourhood Plan.
2. Ormsfield Lane is not obstructed during the construction of the new building and remains, at all times, passable for other residents.
3. That the garage is retained as part of Ormsfield House and is not subsequently developed into a separate dwelling.

## Planning Application Comments and Recommendation

<b>Planning Application No</b> <i>(please insert as hyperlink)</i>	21/02562/FUL Emily's Farm, Rye Common
<b>Description</b>	Continued siting of temporary agricultural worker's dwelling.
<b>Date valid</b>	4 <sup>th</sup> October 2021
<b>Date circulated by DPC Cllr for Planning</b>	25 <sup>th</sup> November 2021
<b>Comments due</b>	1 <sup>st</sup> November 2021
<b>Closing date</b>	3 <sup>rd</sup> November 2021
<b>Name of Councillor</b>	Graham Leach

### 1 Summary

This application is for the continued siting of a temporary agricultural worker's dwelling on a 20 acre (8.3 Hectare) site on Rye Common, North of the A287. The farm produces meat and poultry for specialist markets. The single storey dwelling has been there since 2012 and is quite substantial – 2 bedrooms, 2 bathrooms, a kitchen, dining room, sitting room and a boiler room. The site also has other agricultural buildings, including a slaughter and butchery unit which was constructed in 2018.

### 2 Comments

The initial planning application for a temporary building was Granted in 2012 (Application 12/00808/FUL). Approval was given for a building on the site for 3 years, provided that the design and appearance was acceptable. DPC Objected to this application on the basis that the small size of the farm did not warrant a dedicated on-site dwelling for a stockman/farmer, and this could set a precedence for other 'temporary agricultural dwellings'.

In November 2017 a further application (17/02664/FUL) was submitted for the continued siting of the temporary dwelling. This application was not determined but 'an indication' was given that the temporary dwelling could remain for a further 3 years subject to the approval of a business plan for the farm enterprise. DPC offered no comment on this application.

In June 2018 a further application (18/00157/FUL) was submitted for the construction of a slaughter and butchery unit on the site. DPC Objected to this application on the grounds that there was no linkage to a business plan and that the Applicant was flaunting planning rules as construction was already underway. Nonetheless the Application was Granted.

In July 2021 the Planning Enforcement Officer issued a 'Breach of Planning Control notice' against the dwelling. Following various correspondence, the Owner was directed to submit a new Planning Application for the temporary dwelling.

The construction of a new dwelling in this location would be against Hart Planning Policy SS1 and against DNP Policy DNP1, as it is outside the defined settlement boundary and in the countryside. It also has poor accessibility for day-to-day services and is within 5km of the Thames Basin Heaths Special Protection Area (TBHSPA).

However, under Hart Policy NBE1: *'Development Proposals within the Countryside will only be supported where they are .... meeting the proven essential need of a rural worker to live at or near their place of work...'* So the dwelling could be justified on that basis.

### **3 Recommendation**

I recommend that:

Dogmersfield Parish Council DOES NOT OBJECT to the continued temporary nature of the dwelling for 3 years on the basis of Hart Policy NEB1, provided that Hart Planning is satisfied that there is a bona fide business plan for the enterprise at Emily's Farm for the duration of this period, and that this business plan warrants the essential need for a rural worker managing the farm to live at or near their place of work.

DPC notes that the permanent construction of a dwelling in this location would be against Hart Planning Policy SS1 and against DNP Policy DNP1 as it is outside the defined settlement boundary and is in the countryside. It also has poor accessibility for day-to-day services and is within 5km of the TBHSPA. DPC believes that a condition must be placed on the building that it remains temporary and only remains in place so long as Emily's Farm remains a viable enterprise requiring an on-site agricultural worker in line with Hart Policy NEB1.

DOGMERSFIELD PARISH COUNCIL:

REQUEST FOR BUDGET AND AUTHORISATION FOR INCREASED PAYMENT TO MEN'S SHEDS

SUBMITTED BY COUNCILLOR ANNE FILLIS

8<sup>th</sup> November 2021

At the August 2021, Council approved a budget of £75 to cover a payment to Men's Sheds to cover incidentals required to complete the renovations of the Dogmersfield Phone Box which houses the defibrillator.

These renovations are now complete and we have received notification from Men's Sheds that the incidentals cost £83 – a slight increase due to the need to purchase gold paint. It should be noted that the cost of the materials to replace the door would have been significantly above this amount had we had to fund their purchase ourselves.

I have been asked if we would be prepared to make a small donation in addition to reimbursing the expenditure and I would like to request that Council approves a payment to Men's Sheds of £125 in total. I think that they have done an excellent job for us and would like to support them by making this small donation on top of reimbursing the incidentals.
